**AG STRANGE REVIEWS COMPLAINT OF VIOLATION OF
ALABAMA GUN LAWS AT NEWTON WATER DEPARTMENT**

(MONTGOMERY) - Attorney General Luther Strange today released a public statement about a formal complaint received by his office concerning possible unlawful prohibition of firearms by the Newton Water Department. After reviewing and investigating the complaint, where appropriate, the Attorney General's Office worked with the Town of Newton to achieve compliance with state law.

The result of the Attorney General's investigation is summarized below, along with a link to his determination.

Town of Newton

The Attorney General's Office reviewed a complaint that the Town of Newton failed to comply with Alabama law because it prohibited firearms at the Newton Water Department. After the Attorney General communicated with the Town, the signs prohibiting firearms were removed. Because the signs are removed, the Attorney General has determined that no further action is required.
