

## **Attorney General Steve Marshall Presents Northridge Middle School with 2019 Safe School Award**

(MONTGOMERY) – Attorney General Steve Marshall today presented Northridge Middle School in Tuscaloosa with the Alabama Safe Schools Initiative Attorney General’s 2019 Safe School Award for State Board of Education District 4.

Schools were selected as winners of the Attorney General’s 2019 Safe School Award from each of the eight state school board districts as well as one private school statewide. In addition, three schools were selected for the Attorney General’s 2019 Safe School Award of Excellence and 61 schools were selected for the Attorney General’s 2019 Certificate of Building a Culture for School Safety.

“The safety of our schoolchildren is a vital matter foremost in all of our minds and hearts, and this year we have enhanced the Alabama Safe Schools Initiative Awards to encourage and honor more of those who have implemented strong programs to protect our students, teachers and other staff,” said Attorney General Marshall. “These schools have developed innovative programs and taken practical, effective steps to combat the threat of violence that has become a terrible part of our modern society. Their dedication and resolve to provide a safe haven for learning is an inspiration to us all.”

In presenting the award today Attorney General Marshall said, “The Attorney General’s Office is proud that Northridge Middle School was selected as one of the winning schools in Alabama for 2019. In making this decision, judges noted many things that distinguished Northridge Middle School: its excellent documentation of drills, strong school resource officer involvement, outstanding mentoring initiatives, great use of technology, and strategic placement of adults around the campus.”

Principal Lynda Ingram said, “It is an honor to receive the Attorney General’s Safe School Award for District 4. By promoting school safety, we are creating a safe learning environment where students can focus, learn, and grow. We will continue to train and work closely with the Tuscaloosa Police Department, Tuscaloosa Fire and Rescue, and Local Emergency Services as we work each day to keep our students safe.”
