Attorney General Marshall Presents Cullman City Primary School with 2025 Safe School Award

(Cullman, Ala.) – Attorney General Steve Marshall presented a 2025 Safe School Award to Cullman City Primary School in Cullman, Alabama. The award recognizes excellent implementation of safety plans and identifies current trends in school safety.

"Out of more than 1,500 public and private schools in our state, it is an honor to recognize Cullman City School as one of only nine schools selected for an Alabama Safe School Award," Attorney General Marshall said. "For the second consecutive year, I am proud to honor their continued and prosperous pursuit to enhance public safety and foster strong, safe, and vibrant community."

During today's presentation, Attorney General Marshall spoke directly about the great work of the school. Marshall stated, "Cullman City has established a dedicated Incident Command Center within the main office, allowing administrators and first responders to coordinate effectively and manage situations with clarity and efficiency. In addition, the campus is protected by secured perimeter gates equipped with gate arms that automatically open by siren, ensuring rapid access for emergency vehicles while maintaining controlled entry during normal operations. These thoughtful, strategic safety measures reflect Cullman City Primary School's unwavering commitment to protecting students, staff, and visitors every day."

The selection process featured a comprehensive application and review process by a panel of independent judges who possess real-world insight into school safety trends. All applicants were evaluated on their ability to enhance safe school protocols through preparation and training; collaboration with local emergency response agencies; involvement of school resource officers or alternate security personnel; structure and innovation of safety technology; community participation; and law-related and prevention education.

Applicants from across Alabama applied for the 2025 Attorney General's Safe Schools Initiative. The highest honor, the Safe School Award, went to nine schools. Attorney General Marshall will present each of the following schools with the awards for their incredible achievements: ACCEL Academy, Mobile; Orange Beach Middle & High School, Orange Beach; Northside High School, Northport; Beauregard Elementary School, Opelika; Allen Thornton Career Technical Center, Killen; Cullman City Primary School, Cullman; Eastwood Elementary School, Decatur; Elvin Hill Elementary School, Columbiana; and Harriette W. Gwin Elementary School, Hoover.

An additional four schools exceeded the minimum state requirements and exhibited dedication to higher standards for student learning, mental health, and safety. These schools were recognized by receiving a congratulatory letter and certificate from the Attorney General.
