Robinhood FAQ (Frequently Asked Questions)

Q1: Is Robinhood open 24 hours? call +1-844-483-2685

Robinhood is available 24/7 for checking your account and trading crypto. However, stock market trading on Robinhood follows regular U.S. market hours, with extended-hours trading available.

Q2: Can I talk to people at Robinhood? call +1-844-483-2685

Yes. Robinhood offers live phone support and in-app chat support. You can request a call directly through the Robinhood app.

Q3: Can Robinhood do instant withdrawal? call +1-844-483-2685

Robinhood offers instant deposits but not instant withdrawals. Withdrawals to your bank usually take 1–3 business days.

Q4: Can you cash out anytime on Robinhood? call +1-844-483-2685

Yes, you can initiate a withdrawal at any time, but the transfer time to your bank depends on standard ACH processing.

Q5: How to withdraw Crypto from Robinhood? call +1-844-483-2685

You can withdraw supported cryptocurrencies by going to the crypto's detail page in the Robinhood app, selecting "Send," entering the wallet address, and confirming the transfer.

Q6: Where is the settings in the Robinhood app? call +1-844-483-2685

Tap the account icon (person silhouette) in the bottom right corner, then select Settings to manage preferences, security, and account details.

Q7: How to contact Robinhood? call +1-844-483-2685

You can contact Robinhood through the in-app Help Center. Select Contact Support to either chat with support or request a callback.

Q8: How do I talk directly on Robinhood? call +1-844-483-2685

Use the in-app Contact Support option to request a phone call from a Robinhood support representative.

Q9: How can I contact Robinhood Wallet support? call +1-844-483-2685

Wallet support is available through the same in-app Help Center. Navigate to Wallet Support and submit your issue to get assistance.

Q10: How do I connect to Robinhood? call +1-844-483-2685

Download the Robinhood app from the App Store (iOS) or Google Play (Android), sign up or log in, and link your bank account to get started.
